

Mike Jackson

Objective	To build and enjoy a business centered on sculpting and casting. And, incidentally, to make enough income from it to support my family!
Experience	<p>1956–2000</p> <p>From a long line of excellent craftsman...</p> <ul style="list-style-type: none">▪ Carpentry & general design, layout & building skills.▪ High skills in mechanical reasoning.▪ Miniatures sculpting in 1:30, 1:60 & other various scales. <p>2000–2002</p> <p>Casting Fool & Son</p> <ul style="list-style-type: none">▪ Miniatures sculpting in 1:30, 1:60 & other various scales.▪ Historical research for modeling fortifications, etc.▪ Absolutely convinced that we either starve or succeed!
Education	<p>–2002</p> <ul style="list-style-type: none">▪ Worked exclusively with Alumilite's Casting Products line.▪ Have learned not to put fingers into curing resin...
Interests	Successful casting, supporting my family, and remarriage... not necessarily in that order.
Tips	Make a middle-aged man happy, use Casting Fool & Son!!! ☺
